### **OIVA TOIKKA FOR NUUTAJARVI-NOTSJÖ SET OF 4 CANDLE HOLDERS**

Early sculptural "Lighthouse", candle holders in clear hand blown glass designed in 1964 by renowned Finnish glass artist, Oiva Toikka, for Nuutajärvi-Notsjö, and only produced until 1973. Toikka's works for Nuutajärvi-Notsjö are celebrated for their craftsmanship and design, reflecting the mid-century modern style that was prevalent during his career. His contributions to glass art have left a lasting legacy, with his pieces being highly sought after by collectors worldwide. Toikka was not only an award winning glass designer but also a talented multidisciplinary artist who found inspiration in the rich history of his rural town in Finland. An exquisite and rare set of four candle holders that allows for a spectacular and luminous display.
