**PAIR OF ADRIAN PEARSALL FOR CRAFT ASSOCIATES "GOOP" LOUNGE CHAIRS**

Clean, curving creations such as glass-topped walnut tables made Adrian Pearsall and his firms (Craft Associates and later Comfort Designs) leaders in popular American furniture design from the 1950s into the 1970s. The chairs are formed of sculpted bronze resin (referred to as "Goop") over a molded plywood form, and archivally reupholstered in a lustrous apricot-toned velvet from the noted Italian fabric house Dedar.
